

Invitation to Russian companies to join the IFES network

Dear Russian Colleagues,

Over 100 IFES members from 45 countries will *be* meeting in Moscow on June 6- 18, 2012 in conjunction with the 6th edition of the 5p Expo which offers over 7,800 square meters of exhibition space in Pavilion 7.

IFES members are interested in the boundless opportunities in Russia and would like to meet colleagues from Russia to discuss opportunities for future collaboration.

And key decision makers from Russia's largest import partners, USA, China and EU will also be at the conference.

Join us and learn why live presentation of products and services through tradeshows is one of the most effective tools of marketing strategies.

Come and learn about the benefits of being an IFES member.

Looking forward to meeting you in Moscow

Sincerely,
